### SME Network, Cochin, India

The SME Network has been housed at the Institute of Small Enterprises & Development in Cochin since 1992. It is a forum of those concerned with SME development and represents a variety of interests, such as academics, policy issues,

administration, practical business, etc.

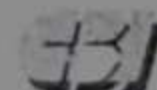

The Institute is an inter-disciplinary initiative, autonomous in terms of its operations and involved in research, training, publication, consultancy,

networking, policy advice, etc.

To find out more details and/or join SME Network (subscription basis), contact:

Dr. P.M. Mathew at: [ised@md2.vsnl.net.in](mailto:ised@md2.vsnl.net.in)
